

CALL FOR CONCEPT PAPER

UNDP Cambodia has recently launched the **Global Environment Facility (GEF) Small Grants Programme** initiative to promote community-based environment/livelihood projects, executed by UNOPS. The GEF/UNDP Small Grants Programme (SGP) works by directly providing grants and technical support to local NGOs and community-based organizations (CBOs). Grants are distributed on a competitive basis.

UNDP Cambodia would like to invite local NGOs and CBOs working to promote rural poverty reduction and environmental protection to apply for the GEF/UNDP SGP.

SGP funds activities related to environmental protection and livelihood development, climate change mitigation, international water protection and decreasing land degradation, and promoting sustainable land management. SGP grants of up to US\$ 50,000 are available per project.

SGP will fund up to 50% of the total project cost with the remaining funding to be provided by the funded organization, community contribution and/or other donor support, either monetary or in kind and services.

Please send your concept paper in Khmer or English (not more than 10 pages) in a sealed envelope to **UNDP Cambodia, No. 53, Pasteur Street, Sangkat Boeng Keng Kang, Phnom Penh, PO Box 877, Cambodia, ATTN: Mrs. Ngin Navirak, SGP National Coordinator**. Further information can be obtained from GEF SGP National Coordinator, Mrs. Ngin Navirak, at ngin.navirak@undp.org (tel 012 84 40 83) or Mrs. Chi Sovanna at sovanna.chi@undp.org.
